As a Ux/UI Designer & Developer, my objective is to make high impact designs, products & interactive sites. Love to coach and would like to manage a great design team.

EXPERIENCE

UX UI DESIGNER **Aug 2022 - Present**
Clovinn | Canada

We are a small design team, 2 people, in charge of the Ux Ui Interface and dashboard. The part I focus on the most is mobile first.

A/B testing

I collaborate with development team, testing all components in storybook.

Game scenarios design

We work with "Scrum Methodology"

UX UI DESIGNER / WEB DEVELOPER **Feb 2022 - Aug 2022**
Rank & Style | United states

I was in charge of the Re-design of all the website and making a New Guide style using figma. After the design i did all the Frontend development using React - Material UI

We worked using Kanban Methodology

www.rankandstyle.com

UX UI DESIGNER / UI DEVELOPER **Apr 2021 - Feb 2022**
Quiena inversiones | Argentina

In Quiena we were a small team of 3 people in the design of the website and landing pages of all the products. Once the design process was finished, I was in charge of the development in react and the styling of components.

We worked using "Scrum Methodology"

www.quiena.com

DESIGNER / DEVELOPER **Dec 2016 - Jan 2021**
Guru | Argentina

In charge of various projects throughout my career in the company. The most important was Conectalia.com, an ecommerce platform to create your own store, for which I was in charge of the design research, ux, guide style, design and after that i did all the layout in react.

We worked using "Scrum Methodology"

www.conectalia.com www.gurusoluciones.com.ar
